Congratulations!

Enhanced Telecommunications Corporation (ETC) is proud to announce our 2016-2017 scholarship recipients.

Graduating seniors from across nine counties, including 21 area high schools and home-school programs, were given the opportunity to apply. Winners were selected based on academics, personal achievements, community involvement, need, and an essay sharing post-degree plans.

ETC awarded a total of six scholarships: One at \$5,000; two for \$2,500; and three at \$1,000 each. The following students were selected among a pool of 164 applicants:

- **\$5,000 WINNER:** Erin Wilhelm of East Central High School
- **\$2,500 WINNERS:** David Blane Beck from Milan High School and Trevor Elston of Madison Consolidated High School.
- **\$1,000 WINNERS:** Alexa Howser of Scottsburg; Kevin Johnson from Greensburg High School; and Olivia Siefert from North Decatur High School.

Congratulations to all scholarship recipients and 2017 graduates!

IN MEMORY

ETC lost a dear friend and colleague on May 20th. Matthew Anderson was a part of the ETC family for 12 years, most recently serving as our Head Network Engineer. You will be greatly missed, Anderson. **Rest in peace, dear friend.**

#ETC4ME

Between August 1st – August 17th, tell us via social media why ETC is for you! When you do, we'll enter you for a chance to win 4 tickets plus a parking pass to the Cincinnati Reds vs. Pittsburgh Pirates on August 25th!

Use #ETC4Me and share with us over social media what you enjoy about your ETC services for your chance to win this August!

FREE WIFI HOTSPOT

866-ETC-4YOU • ETCZONE.COM

ETC is proud to once again be partnering with local parks to provide free, wireless, high-speed internet access to the public.

Sunman Community Park, Greensburg City Park and Liberty Park in Batesville are now offering free internet connectivity, and will continue to serve as local 'hot spots' through Labor Day. Service is available seven days a week, from 8:00 a.m. through 8:00 p.m. to anyone with a wireless-equipped laptop or PDA.

Thank you to the local parks for partnering with us to provide this free, community service!

PHONE SPOOFING

ETC has received multiple reports of customers experiencing phone spoofing calls using local numbers.

Phone scammers are using software to mask their real identities by displaying a fake telephone number. Fraudsters mislead people into thinking the call is from a local business or person. And sometimes the number the scammer uses does, in fact, belong to a real person.

Please know these real people whose numbers are being used by the phone spoofing scammers, are innocent in this.

PHOTO CONTEST!

Don't forget to continue capturing the essence of Southeastern Indiana on film! We will be sponsoring our Directory Cover photo contest again this year, and are looking for the year 'round sights and sounds of our area. Be watching for more details and deadlines in our October edition of the Spotlight.
