ETC online billing also gives you the option to make incremental payments at any time, keeping in mind that the entire invoice amount must be paid in full by the due date to avoid late fees.

As an added measure to insure your security when making an online payment, ETC now requires that you enter the 3-digit security code located on the reverse side of your credit or debit card. (See image below for code location.)

Please visit www.etczone.com to learn more about online billing!

Upcoming Summer Events

Summer has arrived, and we couldn't be more excited about the many upcoming events that give us a chance to get out and enjoy the sun and fun with all of our friends and families! Each year, ETC participates in a variety of summer parades and festivals in support of our local communities, and we are already off to a great start in 2007.
